Personal Smile Analysis

When I see a picture of myself, the first thing I notice about my smile is.

Something I often notice about other smiles I consider attractive is.

Please mark an "x" by the statements below that you agree with.

___ I wish the color of my teeth were whiter.

___ I wish I had a broader smile.

___ I think some of my teeth are too small.

___ I wish my teeth were straighter.

___ I think my gums show too much when I smile.

___ I think my smile shows space between some of my teeth.

___ Because i am not totally pleased with my smile, I sometimes hesitate to smile.

___ I have often wished I could change some of the features of my smile.

___ I feel as though I don't really know all the options available for enhancing my smile.

___ Concerns over what the end result might look like have been a factor in my not having aesthetic dentistry in my own mouth.

___ concerns over fees have prevented me from taking advantages of some of the available options to enhance my smile.
